

September 21, 2011

Dear Jarvis,

On behalf of everyone at BC Place and the BC Pavilion Corporation, we want to thank you for your important role in helping to make the new BC Place a reality.

Since this project began, you, and more than 5000 others who have worked at this site over the past 20 months, have made a unique and lasting contribution recognized by every British Columbian.

Despite a daunting, accelerated work schedule, all of the parts have successfully come together on time, and on budget, to create the incredible and complex new building you see before you today. Everyone who has worked on this project should be very proud of what has been accomplished.

The new BC Place is about to attract a lot of attention for its design, workmanship, and the new retractable roof, the largest of its kind in the world. Add to this, the ability of the new BC Place to "come alive" with its all-new light features visible from inside and outside the building, and we know you will be telling friends and family for years to come about your particular contribution to the project and its completion.

As a token of our appreciation for your efforts, we are enclosing Two Tickets to the Opening Ceremony and BC Lions-Edmonton Eskimos football game on Friday, September 30th. We hope that you will join us, and thousands of others, as we celebrate the completion of the new BC Place.

Our "hardhats" are off to you!

Sincerely,

Warren Buckley
